- there is a conflict of interest.

In all circumstances except those above, **we** are free to choose an **adviser**.

If **we** are satisfied that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence, **we** will pay the **costs and expenses**.

We may, at **our** discretion, require **you** to obtain, at **your** expense, an opinion from a lawyer, accountant or other suitably qualified person chosen by **you** and **us**, as to the merits of a claim or proceedings. If the chosen person's opinion indicates that it is more likely than not that **you** will recover damages (or obtain any other legal remedy that **we** have agreed to) or make a successful defence, **we** will pay the cost of obtaining the opinion.

How to make a claim and how much we will pay

How to make a claim

1. If an event happens for which **you** want to make a claim, first check the Schedule and policy to make sure that the event is covered.
2. Please read General Conditions 6 and 7 on page 42 for details of the claims conditions. For Legal Expenses claims please read the conditions on pages 32 to 33.
3. If the event is covered, or if **you** are in any doubt, call the relevant number on the back cover of this booklet.

Our claims unit will take details of an event and tell **you** whether **your** claim is covered. Whenever possible, **we** accept claims without the need for a claim form. However, **we** may ask **you** to fill in and return a claim form, which **we** will normally send to **you** within two working days of **your** call.

4. After **your** call, one of several things will happen but at all times **you** will be guided by **your** incident manager.
 - If repairs are needed, **we** may arrange for a contractor approved by **us** to call. **We** will try to do this within two working days of **you** making **your** claim. The contractor will draw up a quote for repairs and should start work at a time which is convenient to **you**. When the repair is finished, the contractor will send the invoice straight to **us** so **we** can pay it.
 - **We** may arrange to send **you**, and if appropriate have installed, replacement goods (such as domestic appliances, furnishings, sanitary ware and kitchen units) and/or issue vouchers to the same replacement value from a supplier approved by **us**. **We** will do **our** best to make sure that **you** receive the goods within five working days. Or, **we** may agree to pay **you** cash for **your** claim and **we** will aim to send **you** a cheque within two working days.

- If **we** ask, **you** need to give **us** any evidence to support **your** claim, such as estimates, photographs or invoices. **We** will confirm exactly what **we** need.
- Sometimes **we** will need to ask an independent loss adviser to assess the loss or damage. If so, **we** will tell **you** and arrange for the loss adviser to contact **you** within two working days. The loss adviser's role is to assess the claim, confirm what action **you** need to take, and recommend to **us** how to deal with the claim. The loss adviser, on **our** behalf, may arrange for repairs or replacement to be carried out and agree with **you** the amount **we** should pay for the claim.

Please remember **you** are responsible for paying any excess which applies to **your** claim. The excess is the first amount of each claim **you** have to pay. If **you** make a claim under more than one section for loss or damage which happens at the same time by the same cause, **we** will take off a maximum of one standard excess. **We** will then take off any voluntary or compulsory excess applicable to the sections, as shown on **your** Schedule or endorsement sheet. **We** will decide the most **we** will pay before taking off the excess.

Claims history

Depending on the circumstances and number of claims **you** make, **we** may apply additional terms to **your** policy or reduce the cover that **we** are prepared to offer **you** at **your** next renewal date.

How much we will pay - Buildings

If **you** suffer loss or damage to any part of **your buildings**, at **our** option **we** will either:

- pay the reasonable cost of repairing or rebuilding; or
 - repair or rebuild;
- the loss or damage.

If repair or rebuilding work is not carried out, **we** will pay an amount to cover the reduction in market value of **your buildings** resulting from the damage. **We** will not pay more than the cost to **us** (after any discounts available from **our** approved suppliers) of repairing or rebuilding the **buildings**.

We may take off an amount for wear and tear if:

- the **buildings** are in a poor state of repair; or
- the cost of rebuilding the **buildings** in the same form, size, style and condition as when new is more than the **buildings** sum shown on **your** Schedule at the time of loss or damage.

It is **your** responsibility to keep **your home** in a good state of repair. Please ensure that roofs, particularly flat roofs, are not showing signs of wear and tear or tiled roofs have tiles missing. **Your** policy does not cover claims arising from wear and tear or gradual deterioration.

The most **we** will pay for any one event is as follows.

Your liability as owner of the buildings	£2,000,000 for any one event (plus other costs and expenses to which we have agreed in writing)

We will not reduce these limits if **you** make a claim.

If **you** specify **your** sum insured and the rebuilding value of **your buildings** is more than **our** standard limit **we** will index-link the amount for which **your buildings** are insured. **We** will continue to index-link the sum insured shown on **your** Schedule after **you** claim for loss or damage insured under paragraphs 1 to 11 of buildings cover while the **buildings** are being repaired or rebuilt, as long as **you** take all reasonable steps to make sure the work is carried out straight away.

We will only provide cover if as far as **you** know the declaration **you** have made and the information **you** have supplied, as detailed in your Statement of Insurance, is true and complete.

You must keep to all terms of this policy. If **you** do not do this, the contract will no longer be valid and **you** will not be able to make a claim.

The facts **we** need are those which **we** consider important in assessing or accepting **your** insurance. If **you** are in any doubt as to whether to tell **us** about any change, **you** should tell **us** anyway.

3. Reasonable care

You must take reasonable care to prevent or reduce any loss, destruction, damage or injury and maintain **your home** and other property in a good state of repair.

4. Other insurance

If **you** have any other insurance covering anything insured by this policy, **we** will pay only **our** share of any claim.

If **you** or anyone acting for **you** makes a claim which is false or fraudulent in any way, **we** will not pay the claim and all cover under the policy will end immediately.

6. Claims - **your** duty

For information on the claims procedure and how **we** settle **your** claim, please read pages 37 to 41.

The first £2,000 of any claim is protected in full. For amounts above this FSCS will ensure that policyholders are compensated to 90% of the value that their policy would have paid. Further information about the operation of the scheme is available on the FSCS website: www.fscs.org.uk.

10. Cancellation

Cancellation within the first 14 days

If **you** cancel **your** policy within 14 days of receiving it **we** will refund **your** full premium within 30 days, unless **you** have made a claim. If **you** have made a claim in the first 14 days, **we** will give **you** a pro-rata refund on **your** premium based on the cover **you** have had.

If **you** do wish to cancel **your** policy and the insurance cover has not yet commenced **you** will be entitled to a full refund of the premium.

If after 14 days **you** have not cancelled **your** policy, **we** will assume that **you** have accepted the terms and wish **your** policy to continue for the agreed period of cover.

Cancelling **your** policy

If this policy no longer meets **your** needs **you** have the right to cancel it at any point during its duration. **You** can telephone **us** on 0845 366 1607 or write to **us** at Saga Services Limited, The Saga Building, Middelburg Square, Folkestone, Kent CT20 1AZ to cancel **your** policy. Saga Services Limited may cancel this policy by giving **you** seven days' notice by recorded delivery letter. **We** will send this notice to **your** last known address.

Please note that, if **you** amend or cancel **your** policy mid term and have paid by credit card or cheque, **we** will be unable to refund any amounts of £5 or less. Similarly, if **you** make any changes to **your** policy or cancel it mid term, **we** will only request any payment from **you** if the amount is over £5. Saga Services Limited may deduct an **administration fee** from **your** refund.

Emergency help and advice from Saga

This advice section is to help you in the event of an emergency.

Saga know that you may need practical help at any time, night or day. We have arranged these useful helplines which you can use 24 hours a day, 365 days a year.

24-hour domestic emergency helpline - 0800 919 660

Domestic crises - burst pipes flooding a carpet, blocked drains, even a heating or electricity failure - can happen all too often.

If this kind of unfortunate event happens, simply call the Saga helpline and we will contact a skilled tradesman such as a plumber or electrician. You will be responsible for the tradesman's charges, but if the damage is insured under the policy, you can make a claim for these charges in the normal way. Please read page 37 for details of how to claim. If glass in a door or window breaks, the Saga helpline can arrange for a glazier to repair the damage. You will be responsible for the tradesman's charges unless you are insured for the event under this policy. In this case, we will pay the glazier's charge. However, you are still responsible for paying any excess.

24-hour legal advice helpline - 0845 9000 013

You can receive confidential legal advice over the phone on any personal legal problem, such as neighbour disputes or consumer law, from our qualified legal experts. We offer advice relating to the laws of the member countries of the European Union, the Isle of Man, the Channel Islands, Switzerland and Norway. There is no limit to the number of calls you can make and you can rest assured that your conversation will be treated in the strictest confidence.

The Saga helpline does not provide cover for any costs you have to pay because you followed the advice given. However, you may be able to claim if you have taken out the optional Legal Expenses Cover. Please read 'How to make a claim' on page 34 of this booklet for details.

The following helplines are only available to Legal Expenses Cover policyholders. Please have your policy number to hand when you call

24-hour tax advice helpline - 0845 9000 013

You can receive confidential advice over the telephone on personal tax matters. Specialists are available to give information and advice on personal tax problems, and the tax implications of a variety of subjects such as investments, property, trusts, inheritance and pensions. There is no limit to the number of times you can use this service.

24-hour counselling helpline - 0845 9000 016

You can take advantage of our confidential counselling service over the telephone including, where appropriate, onward referral to relevant voluntary or professional services (at your expense).

Calls to this service are not recorded. Counsellors are qualified and experienced members of The British Association for Counselling and Psychotherapy and are covered by their code of Ethics and Practice. They are trained to listen and guide on any range of emotional issues, including relationships, bereavement, depression, stress and anxiety. In the event of a trauma, for example burglary, mugging, or illness, counsellors will talk you through your problems and help you find ways of overcoming them. There is no limit to either the length of your calls, or how often you can use this service.

Protecting your property

This advice section is to help you and it does not form any requirement or exclusion as part of the policy.

If you are unfortunate enough to suffer loss or damage to your property, your insurance policy can help put things right. However, even settling a claim quickly may not compensate you for the worry and inconvenience you have suffered. In many cases, you can prevent loss or damage, so we have listed below some hints to help you protect your property.

Fire

- Make sure that you have proper fire guards for any open fires.
- Check all electrical and heating appliances regularly, especially if you use portable heaters.
- Make sure that you use the correct fuses and do not overload the circuits.
- Switch off power points when you are not using them and remove plugs from all wall sockets at night, especially television sets and electric blankets.
- Make sure you get your electrical wiring checked from time to time.
- Kitchens are a major source of fires, so always keep an extinguisher and a fire blanket handy for an emergency.
- Never leave the room if you have a chip pan on.
- Fit a smoke alarm. Carry out regular checks to make sure that the alarm is working.

Flood

- If you think a flood is likely, take as many of your possessions as possible upstairs.

Burst pipes

- Lag all your water pipes and tanks that you can get to, not forgetting the loft.
- If your pipes freeze, turn off the water at the mains and thaw them out slowly using hot water bottles. Never use a blowlamp or heater with a naked flame.

Theft

- Fit good-quality locks to all your doors and windows.
- Keep doors and windows locked, especially when you go out.
- Fit a chain and 'door viewer' so you can check the identity of callers. (This is like a 'peep-hole' which lets you see callers without being seen). Never let anyone into your home if they cannot prove their identity.
- Leave a light on if you go out in the evening.
- Close and lock your garage, shed and other outbuildings when you are not using them.
- Lock away garden equipment and tools, especially ladders.
- Do not leave keys outside your home.
- When you go away, cancel all deliveries and ask a friend or neighbour to move letters off your doormat and keep an eye on your home.
- Keep valuables out of sight.

Valuations

- These can help keep your policy up to date by ensuring that your specified items are adequately covered.

Finally, keep a detailed description and photographs of your property. If you do need to make a claim, this will help us handle your claim quickly and will also help the police in their investigations. If you need any more advice, we will be pleased to help.
