

# **SAGA COUNTRYWIDE HOSPITAL LIST**

DECEMBER 2023

**SAGA**

## ABOUT THIS HOSPITAL LIST

If you have selected Guided Care, you must ask your GP for an open referral or refer to the Bupa referral site [bupa.co.uk/referrals](http://bupa.co.uk/referrals) before you contact us. An open referral is where your GP states that treatment is necessary and which type of specialist you require that treatment from, but does not specify the specialist's name.

### Saga Countrywide Hospital List

This extensive list of hospitals, day-patient units, scanning centres and other private healthcare facilities is for customers who have chosen the Saga Countrywide Hospital List or the Saga London Upgrade.

There may be rare occasions when we suspend the use of a hospital or another facility listed in the Saga Countrywide Hospital List to protect the interest of our customers. The Saga Countrywide Hospital List is accurate at the time of printing but may be subject to change at any point.

You need to call us before receiving any treatment. This will allow us to check our database and confirm whether the hospital you have been referred to is eligible for benefit. You can also visit [www.finder.bupa.co.uk](http://www.finder.bupa.co.uk).

### Psychiatric hospitals

If you are covered for mental health treatment under your Saga Health Insurance policy, you may receive treatment at any of the psychiatric hospitals listed in this guide.

### If you need to claim

If you need to claim, the detailed lists on the following pages will help you to confirm whether the hospital you or your specialist prefer is on the list you have chosen. You may receive treatment at any hospital on your chosen list. You must get approval from us before any treatment begins. This allows us to keep control of costs and provide you with guidance on your claim.

### We pay bills direct

Wherever possible we settle bills directly with the hospital so that you do not have to worry about paying out large amounts of money.

### If you have any questions

If you would like more information or have any questions, please call us. If you are a Saga Health Insurance policyholder and have a query about hospitals in relation to a claim, please call the Claims Team on 0330 018 0778 between 8am and 8pm weekdays, or 9am and 4pm Saturday. For any other queries, please call Saga Customer Care on 0330 018 1361 between 8.30am and 7pm weekdays or 9am and 1pm Saturday.

Please note: we may record and/or monitor calls for quality assurance, training and as a record of our conversation.

### Important note:

This facilities list is updated and changes from time to time. The Bupa facilities finder tool will always have the most up-to-date list of hospitals – please visit [finder.bupa.co.uk](http://finder.bupa.co.uk).

Customers are advised to call us before arranging or receiving any treatment to confirm the facilities and benefits they are entitled to use.

We have taken care to select and form agreements with a network of quality assessed hospitals in the UK. Customers can feel reassured knowing these hospitals are committed to Bupa's excellent standards.
