Welcome to Saga Pet Insurance

Thank you for taking out pet insurance with Saga.

This book, together with your policy Schedule and any endorsements, contains all the information you need to know about your Saga Pet Insurance policy and we hope you find it easy to understand.

Overleaf you'll find an overview of our three cover levels, so you can easily see what's included in the policy you have chosen. Please check this to make sure it's appropriate for your needs. All the other information we need to tell you is included after this, such as what we do with your personal information and how we are doing our best to combat fraud.

Next we tell you more specific information about your policy, including an explanation of words that have particular meanings when they appear in this booklet, before getting down to the real detail of exactly what

you can and can't claim for. There are some things that we always exclude from cover and these are shown in the General Exclusions towards the back of the book; while the General Conditions that follow explain what you need to do to ensure you have the full protection of your policy.

The Pet Travel Extension (section 10) is an additional option, which provides cover for your pet if you take it abroad. This is not automatically included in your policy, so please refer to your Schedule to see whether you have chosen it. If not, and you would like to do so, we will be happy to give you a quote.

Finally, if you need to make a claim on your policy, you can find details of how to do so on [page 36](#).

Your Schedule shows which level of cover you have chosen – Saver, Essential or Super.

Please note: Cover applies in the UK. If you have purchased the Pet Travel Extension, please see [page 24](#) for cover limits that apply whilst you are abroad with your pet.

At this stage you will be given the option to refuse transferral to the new provider. For further information, please see Saga's Privacy Policy at saga.co.uk/privacy-policy
