We hope that you will find this policy gives you the level of protection you want for your vehicle.

Introduction

The words shown in bold print are defined on [page 5](#).

The contract of insurance between **you** and **us** is made up of:

- the **Policy Book** and
- the **Certificate**.

It is based on the information **you** have given **us**. Any advice leaflet or similar literature **you** receive about this insurance does not form part of **your** contract.

You should read the **Policy Book** together with the **Certificate**.

Please check them carefully to make sure that they give **you** the cover **you** want.

You agree to pay the premium and to keep to the conditions of the contract of insurance. If **you** pay by Direct Debit and do not keep up **your** payments, **you** will not be covered by this **policy** from the date the premium was due.

The cover applies throughout the **United Kingdom**.

We agree to insure **you** according to the terms in this **Policy Book** for the cover shown on **your Certificate**. **We** will provide cover for any period of insurance for which **we** have accepted **your** premium.

The law which applies to this contract

It is important that **you** tell **us** of any changes that occur since the insurance started or since the last renewal date. If **you** do not it is possible that a claim will not be covered. Some examples of changes are given below; if **you** are in any doubt whether a change needs to be advised, please contact Customer Services on **0800 656 9915**.

- Change of address
- Change of vehicle.

If **you** renew on a continuous payment method, **we** will automatically renew **your policy** each year using the payment details **you** have given **us**. Please contact **us** prior to **your** renewal date if **you** wish to renew using a different payment method. If **you** currently pay by a continuous payment method but **you** do not want to renew **your policy** **you** will need to ensure **your** continuous payment method is cancelled.

General conditions applicable to all of the policy

You must comply with these conditions to have the full protection of **your policy**. If **you** do not comply with them, **we** may cancel the **policy**, refuse to deal with **your** claim or reduce the sum of any claim payment.

1. Your duty

The insurance cover provided depends on the terms and conditions in this **policy** document. **You** must comply with these terms and conditions to have the full protection of **your policy**.

It is **your** duty to provide **us** with correct information and answer **our** questions with reasonable care and honesty, truthfully and completely. **You** must tell **us** as quickly as possible if you change **your nominated vehicle**.

If **you**, or anyone acting for **you**, have deliberately misrepresented the answer to **our** questions, or misrepresented any answers provided to online questions by manipulating an answer and these answers have:

- influenced **our** decision to provide **you** with insurance **we** would otherwise not have agreed to provide, or
- influenced the terms and conditions on which **we** have provided cover, or
- prevented **us** from charging the correct premium

we will treat **your policy** as if it never existed and return any premium **you** have paid for the **policy**, unless **we** have identified a false or fraudulent claim when General Condition 11 will also apply.

If the misrepresentation is not deliberate but is careless **we** will either:

- treat **your policy** as if it never existed and return any premium **you** have paid for the **policy** if **we** would not have accepted the risk had **you** given the correct information; or

- amend **your policy** details to record the correct information, apply any terms that would have been applied had **you** given the correct information, and charge and collect any additional premium due.

2. Vehicle servicing obligations

For the duration of cover the **nominated vehicle** must be serviced in accordance with the manufacturer's recommendations (including as to service intervals). Service and mileage records are taken from the date the vehicle was first nominated for Saga Breakdown Repair. If **you** nominate a vehicle for cover (first nomination), then change the vehicle **you** wish to cover under Saga Breakdown Repair, and then renominate the original vehicle for cover at a later date (second nomination), provided it is still eligible, the service records will be required from the vehicle's first nomination for cover. Only service invoices will be accepted as proof of servicing and such invoices may be required by the **claims department** at the time claims are made. A suitable garage business must carry out servicing. It is **your** responsibility to find out the **nominated vehicle's** servicing requirements and to adhere to them.

3. Vehicles that can be covered under Saga Breakdown Repair

Cover is only available under this **policy** for the following:

A privately registered motor car or three wheeler up to 3,500kg when loaded, excluding kit cars, taxis, private hire vehicles, any vehicles used for hire or reward, any vehicles used in the provision of courier services and any caravan or other trailers.

You must do all that **you** can and comply with all laws and codes to keep the **nominated vehicle** safe and fit to drive.

A supplementary premium will be payable for eligible vehicles which are:

- 10 years or more old; and/or
 - have 100,000 or more recorded miles
- when they are covered by this **policy**.

4. Recovery limited to that available under your Saga Breakdown Assistance policy

If a repair at the roadside is not possible, recovery to a garage will only be available in accordance with **your Saga Breakdown Assistance** policy entitlement – there is no separate/additional recovery entitlement under Saga Breakdown Repair.

5. Repair authorisation and contract

- If the **nominated vehicle** is not repaired at the time of breakdown, **you** must arrange for it to be taken, without delay, to a VAT registered garage.
- Repairs should not start until the **claims department** has agreed and has confirmed with the repairer that the relevant repairs are covered by Saga Breakdown Repair, and issued an authorisation number. Any repairs carried out without an authorisation number will not be covered under this **policy**.
- The fact that **we** have dispatched a service provider does not necessarily mean that the repair will be covered by Saga Breakdown Repair; this will be assessed by the **claims department**. Claims will be assessed in line with manufacturer or Motor Industry standard repair times and retail price guides. The insurer reserves the right to fit replacement parts which have not been made by the vehicle's manufacturer but are of a similar standard.
- If the **nominated vehicle** requires recovery to a garage (in line with **your Saga Breakdown Assistance** entitlement), the choice of repairer is **yours** (subject to their being VAT registered). If the selected garage is part of the Breakdown Repair Cover Garage Network, **you** will only be required to pay the **excess** for insured repairs up to the claim limit. Any repairs that are not insured or are over the claim limit, will be

carried out at the same rates agreed for the service provider approved repairs.

Any repairer appointed, whether direct by **you** or on **your** behalf, will carry out repair work to **your** instruction and the contract for repair will be between **you** and the relevant repairer.

- Any exploratory dismantling charges will only be paid for as part of a valid claim. It is **your** responsibility to agree dismantling with **your** chosen repairer and to pay their charges if, after dismantling, it is reasonably apparent that any defect found is not covered under Saga Breakdown Repair.
 - You** can only hold one Saga Breakdown Repair **policy** per **Saga Breakdown Assistance** policy.
6. Other drivers

Any person entitled to request assistance from us under **your Saga Breakdown Assistance** policy may make a claim on **your** behalf following a breakdown in the **nominated vehicle**. These claims will be taken into account when assessing whether the Saga Breakdown Repair claims limit has been reached.

7. Commencement of cover

Cover commences 14 days after **your** agreed **policy** start date (this means that **you** cannot claim under **your** Saga Breakdown Repair for a breakdown which occurs before day 15) whether **you** are a new or existing **Saga Breakdown Assistance** policyholder.

However, no claims will be paid until **your** payment for the **policy** has been confirmed. Please also see 'General conditions, 8. If **you** change **your** vehicle'.

8. If you change your vehicle

You must let **us** know if **you** change **your nominated vehicle**. Please call **0800 656 9915** to update **your** details. **You** will not be able to make a claim in relation to a breakdown which occurs within 14 days after **you** have notified **us** of the change (which means **you** can only claim for a breakdown which occurs on or after day 15 from the notification of a vehicle change).

If **your** new **nominated vehicle** would have attracted a supplementary premium, had it been the vehicle first nominated for cover (see 'General conditions, 3. Vehicles that can be covered under Saga Breakdown Repair' on [page 10](#)), then **we** will be entitled to charge an additional premium to transfer cover.

You can only make a maximum of three changes of **nominated vehicle** in a **period of cover**.

9. Cancellation within 14 days

If **you** cancel **your policy** within 14 days of receipt of **your policy** documents, **we** will give **you** a full refund of **your** premium.

If **you** wish to cancel **your policy** and cover has not yet commenced **you** will be entitled to a full refund of the premium.

10. Cancellation rights

Provided no claims have been made under the **policy**, **we** will refund the pro-rata premium applicable to any unexpired part of the period of cover for which a premium has been paid. Please note that where any claims have been made under this **policy** **we** will not be able to refund any premiums and all outstanding premiums owed to **us** by **you** will become payable immediately. Also, if **you** amend or cancel **your policy** during the **policy** year and have paid by credit card or cheque, **we** will be unable to refund any amounts of £5 or less. Similarly, if **you** make any changes to **your policy** or cancel it during the **policy** year, **we** will only request any charges from **you** if the amount is over £5.

Cancellation by **you**

You can cancel this **policy** by contacting **us** on 0800 656 9915.

Cancellation by **us**

We may cancel this **policy** by giving **you** seven days' notice in writing to **your** last known address.

This policy may be cancelled if:

- **you** do not pay any **policy** premium requested or, if applicable, stop paying the instalment premiums.
- **your** insurance details change such that they no longer meet **our** acceptance criteria;
- **you** fail to provide further information or documentation **we** have requested in writing:
 - in support of **your** insurance application, renewal or adjustment **you** wish to make to **your policy**;
 - to assist **us** handle a claim that is being made; or
- **we** act under General Conditions 1 or 11 following fraud or misrepresentation; or
- **we** discover that **you** have used fraud to obtain another policy underwritten by **us** and/or to make a claim under another policy that **we** underwrite.

Please note that if **you** cancel **your Saga Breakdown Assistance** policy, this **policy** will be automatically cancelled at the same time and cannot be continued separately.

11. Fraudulent claims

If **we** discover that **you**, anybody insured by this **policy** or anyone acting for **you** has knowingly:

- made a fraudulent or false claim in full or in part or exaggerated the amount of the claim;
- misrepresented any answers to **our** questions or withheld any relevant information in order to influence **us** to accept a claim;
- provided false or invalid documents in support of a claim;
- following an allegation or suggestion of fraud by **us** or

another insurer, withdrawn a claim, had a claim refused or declined or had a policy cancelled or made void,
we will investigate the claim and this could result in legal action by **us**.

We may:

- treat **your policy** as if it never existed from the date of the fraud or misrepresentation and retain any premium **you** have paid for these policies;
 - serve **you** with a 7 day notice of cancellation on all other policies that **you** hold with **us**; and
 - pass details to the Police and fraud prevention agencies;
- or
- refuse to pay the whole of **your** claim if any part is in any way fraudulent, false or exaggerated and recover from **you** any costs that **we** have incurred.

How to make a claim on your Saga Breakdown Repair

Step 1

If **you** break down, **you** must call for assistance under **your Saga Breakdown Assistance** policy on **0800 068 2196** in order for any subsequent related claim under Saga Breakdown Repair to be considered.

If **you** are unsure what to do at any stage call the Saga Breakdown Repair claims helpline on **0800 027 1349**.

Step 2

Where appropriate, and provided assistance is available under **your Saga Breakdown Assistance** policy, the service provider will attempt to fix the **nominated vehicle**, on production of **your** Saga Breakdown Repair information card, and the **insured parts** required to fix it will be paid for in accordance with the terms and conditions of the Saga Breakdown Repair **policy** (so long as they are eligible **insured parts**). **You** will need to pay the **excess** shown on **your Certificate**.

In some cases **you** may need to pay for the repairs up front and submit a claim at a later date, if this is the case please contact the **claims department**.

Step 3

If the service provider cannot fix the **nominated vehicle** at the scene of the breakdown, it should be taken, without delay, to a VAT registered garage of **your** choice.

Certain garages have made arrangements with the service provider and are part of the Breakdown Repair Cover Garage Network. The service provider can advise **you** of **your** nearest participating garage on request.

If the selected garage is part of the Breakdown Repair Cover Garage Network, **you** will only be required to pay the **excess**, as shown on **your Certificate**, for insured repairs up to the claim limit. Any repairs that are not insured or are over the claim limit, will be carried out at the same rates agreed for the service provider approved repairs.

If **you** require the service provider to assist with the recovery of the **nominated vehicle**, any recovery will be provided in line with **your Saga Breakdown Assistance** entitlement.

Please note that if **you** continue to drive the **nominated vehicle** after a fault has developed and this causes further damage or loss, that damage or loss will not be covered under this **policy**. See 'We do not cover the following', clause 21 on [page 8](#) for further details.

Note: VAT will not be reimbursed if **you** are VAT registered.

Important: Please ensure that **you** or the repairer contact the **claims department** before proceeding with repairs, otherwise **you** will need to pay for the repairs up front and submit a claim at a later date.

If **we** have not been given the opportunity, where available, to inspect the **nominated vehicle**, any claim **you** make may not be covered. If **you** are unsure of what to do at any point please contact the **claims department**.

Step 4

The garage should assess the repair and inform **you** what work is required to repair the defect, which led to the breakdown of the **nominated vehicle**. **You** should then ask the garage to contact the garage helpline on **your** behalf on **0800 092 8987** to provide details of the required repair and obtain a claims authorisation number

before starting work. Repairs carried out before an authorisation number is obtained will not be covered under this **policy**.

If the garage does not contact the garage helpline for **you** then **you** must do so and the claims adviser will tell **you** what to do next.

At that time the **claims department** will need:

- **your** details;
- the vehicle make, model and registration number;
- the vehicle's current mileage;
- costs of the repair, detailing parts and labour charges;
- depending on the nature of the breakdown, the **claims department** may require evidence of the vehicle's service history (for example invoices) from the start date of **your** cover, so it is advisable to ensure that this information is readily accessible.

Step 5

The **claims department** will consider **your** claim and, where appropriate, confirm that the repair is covered under the terms of **your** Saga Breakdown Repair **policy**. Agreed costs will be settled directly with the garage on completion of the repair. If the garage is not part of the Breakdown Repair Cover Garage Network and will not accept payment on this basis, **you** will need to pay for the repair and send the fully itemised invoice, displaying the authority number provided to the **claims department** for reimbursement.

Claims should be sent to the following address: The Claims Department, Saga Breakdown Repair, Lambert House, Stockport Road, Cheadle, Cheshire, SK8 2DY.

Please note that reimbursement usually takes up to 21 days from receipt of the invoice and will be made to the **policyholder**, even if this is not the owner of the vehicle concerned.

In most cases the **claims department** should be able to confirm immediately which, if any, of the repairs reported fall within the scope of Saga Breakdown Repair cover. However, in some circumstances the insurer may appoint an independent engineer to inspect the vehicle to help the insurer decide whether the claim is

covered under **your** Saga Breakdown Repair **policy**.

You may be asked to provide proof of vehicle ownership.

Useful information – to be read in conjunction with your policy information

Your most frequently asked questions answered...

Do I have to keep my car regularly serviced?

Yes. Once you have nominated a vehicle for Saga Breakdown Repair then you will need to keep it serviced in accordance with the manufacturer's recommendations.

Servicing must be done by a suitable garage business e.g. not a neighbour, friend or family member but a garage trading business with garage premises. You may be asked to produce evidence of servicing when you make a claim so be sure to retain your receipts and invoices.

Can I claim straightaway?

No. You will not be able to claim on your Saga Breakdown Repair policy for insured parts or repairs needed to rectify a breakdown which occurs during the first 14 days after your agreed policy start date. After that cover will apply.

If you change your vehicle, you will also not be able to claim for 14 days after notifying the change so do ensure that you notify us promptly when you purchase a replacement vehicle to ensure that the new vehicle is covered as soon as possible.

What do I do if I change my vehicle?

You can easily update your policy to cover your replacement vehicle (please check eligibility requirements for your new vehicle under 'General conditions, 3. Vehicles that can be covered under Saga Breakdown Repair'). All you need to do is call us on **0800 656 9915**. Your vehicle cannot be changed more than three times in a policy year. You will not be able to make a claim in relation to a breakdown occurring within 14 days of the date on which you notify the vehicle change (see 'General conditions, 8. If you change your vehicle').

Are all my vehicles covered?

No. Our policy only offers cover for the main vehicle on your Saga Breakdown Assistance policy, identified on your Certificate, and not to any additional vehicles you may have covered.

What do I have to pay?

You will need to pay the policy excess shown on your Certificate.

Who can I talk to if I still have questions?

If you have any further queries then please call customer services on **0800 656 9915**.

Saga and/or the insurer may check information provided or received and may also undertake additional fraud searches.

Saga and/or the insurer will hold your personal data securely and in accordance with Data Protection Legislation*. From time to time Saga and/or the insurer may use service providers and

organisations outside the European Economic Area (EEA) where they do not afford the same level of data security as the UK. We will, however, use every reasonable effort to ensure sufficient protections are in place to safeguard your personal information.

All information you provide must be accurate and, if you have supplied another person's personal data who may be insured under the policy, you have done so confirming that you have the specific consent of that other person to disclose that data.

Saga and/or the insurer will use your information and sometimes that of other people named on your policy, either collected at the outset or obtained from other third party sources, for the following purposes:

- To assess financial and insurance risks, your insurance application, the terms on which cover may be offered, including your premium at quote and renewal, and the payment methods offered;
- To prevent and detect crime including fraud, money laundering and financial sanctions;
- To develop our products, pricing, systems, services and relationships with you;
- To comply with our legal and regulatory obligations.

These sources include credit reference bureaus, the electoral roll and public data provided to us by credit reference bureaus and other third parties. The credit reference bureaus will keep a record of the search; this may be reflected in your credit score.

Saga and/or the insurer may share this information with third parties in order to carry out insurance related activities on our behalf, including management of your claim, credit hire and legal advice.

If you contact us electronically we may store your Internet Protocol (IP) address or your telephone number supplied by your Service Provider. This may be used to identify repeat website visits, fraudulent behaviour or mystery shoppers using Saga websites.

Saga uses the data they collect from you, including special

categories of personal data, to contact you and personalise their communication. Saga and/or the insurer also use it for administrative purposes to provide the service you requested and for preparing quotations. If Saga has obtained your permission to do so, they will also contact you by post, telephone, email or other means to tell you about offers, products and services that may be of interest to you. At any time you can opt out of receiving such information, revise the products you would like to hear about or change the method they use to communicate with you. You can update these preferences by calling 0800 656 9915. For further information about how the Saga Group uses your personal information, please visit www.saga.co.uk/privacy-policy or contact the Saga Group Data Protection Officer by email: data.protection@saga.co.uk or post: The Saga Building, Enbrook Park, Sandgate, Folkestone, Kent CT20 3SE.

Fraud prevention and financial crime

To help Saga prevent fraud, money laundering and other financial crime, the information you provide may be submitted to fraud prevention agencies and other organisations whose records may be searched.

As part of the insurer's fraud prevention process it will complete a number of enquiries to check the details you provide against relevant fraud prevention databases. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

The insurer and other organisations may also access and use this information to prevent fraud and financial crime, for example, when:

- checking details on applications for credit and credit-related or other facilities;

- managing credit and credit-related accounts or facilities and recovering debt;
- checking details on proposals and claims for all types of insurance;
- checking details of job applicants and employees.

The insurer and other organisations may access and use, from other countries, the information recorded by fraud prevention agencies in the United Kingdom. If you would like to receive details of the fraud prevention agencies used, please contact the Head of Financial Crime, Enbrook Park, Sandgate, Folkestone, Kent CT20 3SE.
