Your policy in detail

Saga Select Home Insurance is an insurance product provided by the insurer(s) shown in your Schedule.

The insurer(s) has relied on the information and statements you gave when they agreed to provide cover. This information and statements, together with this policy wording and the policy Schedule, form the insurance policy and must be read together as one document. Please read this Policy Book and your Schedule carefully to make sure they meet your needs.

You agree to pay the premium and to keep to the conditions of this policy. If you arrange to pay by instalments and do not keep up your payments, you will not be covered by this policy from the date the premium was due.

The insurer(s) agrees to insure you according to the terms, conditions and exclusions in this Policy Book for the sections shown in your Schedule. They will provide cover for any period for which you have paid or agreed to pay the required premium.

Saga Services Limited has arranged for Saga Select Home Insurance and Saga Legal Expenses Cover to be insured by the insurer(s) named on your Schedule. Insurers' details can be checked on the FCA's register by visiting the FCA's website at register.fca.org.uk or by calling 0800 111 6768.

WELCOME TO SAGA SELECT HOME INSURANCE

Thank you for taking out home insurance with Saga.

This book, together with your policy Schedule and any endorsements, contains all the information you need to know about your Saga Select Home Insurance policy and we hope you find it easy to understand.

On the following pages you'll find an overview of our buildings and contents insurance along with a diagram showing some of the situations you are covered for. Please check this to make sure the policy you have chosen is appropriate for your needs.

There's some other information we need to tell you, such as what to do if you're not happy with your policy. You can find this information on pages 8-10.

Next we tell you more specific information about your policy, including an explanation of words that have particular meanings in this book, before getting down to the real detail of exactly what you can and can't claim for. There are some things that we always exclude from cover and these are shown in the General Exceptions on pages 52-53, while the General Conditions that follow explain what you need to do to ensure you have the full protection of your policy.

Some of the cover detailed in this book is optional and therefore not automatically included in your policy. Please refer to your Schedule to see whether you have chosen it. If not, and you would like to do so, we will be happy to give you a quote.

Finally, if you need to make a claim on your policy, you can find details of how to do so on pages 49-50.

PROTECTING YOUR HOME AND CONTENTS

If something happens that damages your home or the things in it, your home insurance policy can help to put things right. But even with a claim covering costs and being swiftly settled, it is unlikely to compensate for the stress and inconvenience you may experience. Here are some preventative measures you can take to reduce your risk of loss and damage.

Fire

Install, test and maintain smoke detectors. You should have at least one on each floor or, ideally, one in each room.

- Hot oil can ignite, whether you're shallow or deep frying. Never leave oil on the hob unattended. If it does catch, get the lid on the pan, turn off the hob and lay a damp, wrung-out tea towel over the top.
- Tumble dryers can get very hot if left on too long. If there is a build-up of lint, it can combust. Keep your dryer clear of fluff, stop it if it gets hot to the touch and, if it's in a laundry room or garage, fit a smoke detector near it.
- Keep candles away from curtains, upholstery and walls with plenty of room around them. Make sure candles are in a secure base to prevent them toppling over.
- The batteries in items such as laptops and phones can be volatile if they overheat or get damaged through age or accidents. Never leave anything charging overnight or while you are out. Keep an eye on the chargers themselves and don't use any that are fraying, split or have loose connections.
- Lithium batteries for appliances such as e-scooters, electric bikes and DIY tools should, wherever possible, be charged in a garage or shed. Alternatively, charge the battery in an area of your home that is covered by a smoke detector and away from doors you'd need to use to escape from a fire.
- The sun's rays can be intensified when bouncing off a magnifying mirror, or passing through a lens, cut glass or crystal. Keep ornaments made from such materials away from windowsills or bright corners. Shaving and make-up mirrors are best kept in a

cupboard or drawer, and if you have a craft magnifier, cover the lens with the protective pouch it came with.

- In hot weather, check your garden for anything dry and combustible. Put cardboard recycling and dead foliage in the right bins or take it to the tip if your bins are full. If you have an uncovered compost heap, pour a couple of buckets of water over it to soak it. Avoid barbecues during prolonged hot spells and put out cigarettes carefully.

Cold weather

- Burst pipes can cause extensive damage. Keep your home heating at 15°C minimum even if you're away to help prevent water freezing. External pipes or those in lofts and beyond your central heating system should be lagged. If you're at home, run some water regularly as flowing water takes longer to freeze.
- Check that your main stopcock is easily accessible. Keep a spare screwdriver handy that fits any shut-off valves you have on pipework.

Flood

- At the first warning of a flood in your area, get as much as you can upstairs or onto tables or work tops.

Theft

- Fit motion sensor lights and cut back any tall hedges or climbers that prevent vulnerable entry points being seen.
- Use your window locks and make sure all doors are as secure as the front door.

HOW TO MAKE A CLAIM

Please let **us** know as soon as possible if **you** think **you** may need to **claim**. If **you** do not, this may prejudice **your claim** and may mean **we** are unable to cover **you**. To make a **claim** or to receive advice, just call **our** legal helpline on **0800 302 9774** available 24 hours a day, 365 days a year. Please note that claims made on Legal Expenses Cover will not appear on **your** policy's claims history and do not affect **your** future premiums. There is no excess to pay on Legal Expenses Cover claims.

How your cover works

We will provide **you** with cover for **your legal costs** associated with pursuing or defending a **claim** that falls within the **policy** terms of sections A-H below up to a limit of £100,000 provided that:

- The incident occurs within the **policy period**;
- The incident occurs within the **territory**;
- **Your claim** has **reasonable prospects of success** (sections A-F only).

We will also provide **you** with a telephone legal helpline service that falls within the **policy** terms of section J. When **you** tell **us** about **your** legal problem, **we** will need to determine whether the matter is capable of being covered by **your policy**. **We** will ask **you** to provide further information in order for **us** to assess whether **your claim** is within the terms of **your policy** and the incident giving rise to the **claim** is within **your policy period**. If **your claim** is not covered then **our** telephone legal helpline may still be able to provide **you** with some advice.

Any **claim you** make must have **reasonable prospects of success** and be proportionate to pursue. The **legal representative** will assess this and will continually review the prospects of success of **your** case during the life of **your claim**. In some cases, **you** may need to

provide expert evidence to support **your claim** at **your** own expense to enable the assessment to be completed. **We** do not cover any legal fees, costs or expenses that **you** have incurred before **we** have accepted **your claim**.

In the event of a dispute about whether **your** case has **reasonable prospects of success** or is **proportionate** to pursue, **you** will be asked to provide a legal opinion at **your** own expense confirming that **your claim** does have **reasonable prospects of success** and/or whether **your claim** is **proportionate**. If **we** are unable to reach agreement, then **we** will arrange to get a final opinion from an independent barrister.

We will usually ask a solicitor from **our** panel to handle **your** case. However, if it becomes necessary to issue **legal proceedings** then **you** are entitled to choose **your** own solicitor at this point. **Your** solicitor would need to agree to **our Standard Terms of Appointment**. The amount that **we** will pay a law firm where they are acting as the **legal representative** is currently £120 per hour. **You** will be responsible for any **legal costs** which are in excess of the rate that **we** would normally pay to **our** preferred **legal representative**. 3. If the event is covered, or if **you** are in any doubt, call the relevant number shown in **your Schedule**.

Our claims unit will take details of the event and tell **you** whether **your** claim is covered. Whenever possible, **we** accept claims without the need for a claim form. However, **we** may ask **you** to fill in and return a claim form, which **we** will normally send to **you** within two working days of **your** call.

4. After **your** call, one of several things will happen but at all times **you** will be guided by **your** incident manager.
 - If repairs are needed, **we** may arrange for a contractor approved by **us** to call. **We** will try to do this within two working days of **you** making **your** claim. The contractor will draw up a quote for repairs and should start work at a time that is convenient to **you**. When the repair is finished, the contractor will send the invoice straight to **us** so **we** can pay it.
 - If alternative accommodation is required for **you** and **your** domestic pets during part or all of the repair work, when determining suitability **we** will consider: the circumstances of **your** claim, how many people live in **your** home, how long **you** will need the alternative accommodation, what is available in **your** local area, and the cost. **We** will discuss this with **you** to help in finding accommodation. **We** will aim to get **you** safely back **home** in the shortest time possible, which is likely to be before repairs are finished.

- **We** may arrange to send **you**, and if appropriate have installed, replacement goods (such as domestic appliances, furnishings, sanitary ware and kitchen units) and/or issue vouchers to the same replacement value from a supplier approved by **us**. Or, **we** may agree to pay **you** cash for **your** claim and **we** will send **you** a cheque or prepaid card.
- If **we** ask, **you** need to give **us** any evidence to support **your** claim, such as estimates, photographs or invoices. **We** will confirm exactly what **we** need.
- Sometimes **we** will need to ask an independent loss adjuster to assess the loss or damage. If so, **we** will tell **you** and arrange for the loss adjuster to contact **you** within two working days. The loss adjuster's role is to assess the claim, confirm what action **you** need to take, and recommend to **us** how to deal with the claim. The loss adjuster, on **our** behalf, may arrange for repairs or replacement to be carried out and agree with **you** the amount **we** should pay for the claim.

Please remember **you** are responsible for paying any **excess** that applies to **your** claim. The **excess** is the first amount of each claim **you** have to pay. If **you** make a claim under more than one section for loss or damage that happens at the same time by the same cause, **we** will take off an **excess** for each section. **We** will decide the most **we** will pay before taking off the **excess**.

Claims history

Depending on the circumstances and number of claims **you** make, **we** may apply additional terms to **your** policy or reduce the cover that **we** are prepared to offer **you** at **your** next renewal date.

HOW TO MAKE A CLAIM – GENERAL CONDITIONS

1. Claims – **your** duty

For information on the claims procedure and how **we** settle **your** claim, please read pages 49-51.

When **you** know **you** may have to claim under this **policy**, **you** must:

- tell **us** at **your** earliest opportunity;
- tell the local police at **your** earliest opportunity after **you** become aware that something is lost or if **you** suspect theft, attempted theft or malicious damage, and keep a note of any reference number given to **you**;
- take all possible steps to recover any property which has been lost;
- when asked, send **us** all the documents and information (including written estimates and proof of ownership or value) **we** may need;
- send **us** any written claim made against **you** and give **us** full details in writing of any verbal claim made against **you**; and
- ensure that **you** or anyone acting on **your** behalf continues to cooperate with **us** to settle **your** claim by providing whatever information, documentation, or other assistance **we** require.

Any costs incurred for sending **us** the required information will be reimbursed by **us**.

You must not:

- respond to any claim made against **you** or admit or deny responsibility or negotiate or settle any claim made against **you** without **our** written permission; or
- leave property for **us** to deal with unless **you** have **our** permission.

2. Claims – **our** rights

We can do the following:

- **We** can take legal action at **our** expense and for **our** benefit, but in **your** name, to recover any payment **we** have made under

the policy.

- **We** can negotiate, defend or settle in **your** name any claim made against **you**.
- **We** are entitled to the remains of any insured property for which **we** have paid a claim.
- In some instances **your** claim may be handled on **our** behalf by **Saga**.

3. Recovery of lost or stolen property

- If any lost or stolen property is recovered **you** must let **us** know at **your** earliest opportunity.
- If the property is recovered before payment of the claim **you** must take it back and **we** will then pay for any damage.
- If the property is recovered after payment of the claim it will belong to **us** but **you** will have the option to retain it and refund in full any claim payment to **us**.

4. Other insurance

If **you** have any other insurance covering anything insured by this policy, **we** will pay only **our** share of any claim.

5. Taking care

You must take care to prevent or reduce any loss, destruction, damage or injury and maintain anything covered by this insurance.

6. Automatic reinstatement to the maximum insured value

We will normally automatically reinstate **your** cover to the maximum **sum insured** and any limits set out in **your buildings** cover from the date **we** pay any claim. If **we** are not going to do this, **we** will give **you** written notice before **we** pay **your** claim.

7. Matching suites or sets

We treat each item of a matching set or suite of furniture, sanitary fittings, soft furnishings, carpets or other fixtures or fittings as a single item.

We will only pay the cost of repairing or replacing the damaged item. **We** will not pay for repairing or replacing:

- any undamaged floor covering outside the room or rooms in which the damage happened;
- any undamaged wall or floor tiles; or
- any undamaged item that is part of a matching set or suite where damage occurs to a specific item of the matching set or suite.

HOW MUCH WE WILL PAY

Buildings

At **our** option **we** will arrange for the work to be carried out or pay the cost of repairing or reinstating the **buildings** as new. If the loss or damage involves part of the **buildings** that is in a poor state of repair or decoration **we** will make a deduction for wear and tear.

If repair or rebuilding work is not carried out, **we** will pay an amount to cover the reduction in market value of **your buildings** resulting from the loss or damage. **We** will not pay more than the cost to us (after any discount available from **our** approved suppliers) of repairing or rebuilding the **buildings**.

If the cost of rebuilding the **buildings** in the same form, size, style and condition as new is more than the **sum insured** shown in **your Schedule**, **we** may reduce the claims settlement proportionately based on what **your** policy premium should have been if the **sum insured** was accurate. For example, if **you** only paid 70% of the premium **you** should have paid with the correct **sum insured**, the most **we** will pay would be 70% of the total cost of the claim.

It is **your** responsibility to make sure **your sum insured** is high enough to fully cover **your buildings** and keep this up to date on **your** policy.

Contents

Most insurance companies can get discounts on replacing items. This helps to control claim costs and therefore premiums charged. It is at **our** option that **we** will:

- pay the cost of repair;

- replace the item as new; or
- pay the cost of replacing the item as new.

Where **we** can offer to repair or replace through **our** approved suppliers, but **we** agree to make a cash payment, the payment will not exceed the amount **we** would have paid the approved supplier.

If **we** cannot offer to repair or replace through **our** approved suppliers, then **we** will pay the full replacement cost with no discount applied.

If the cost of replacing all the **contents** as new is greater than the **sum insured** shown on **your Schedule**, **we** may reduce the claims settlement proportionately based on what **your** policy premium should have been if the **sum insured** was accurate. For example, if **you** only paid 70% of the premium **you** should have paid with the correct **sum insured**, the most **we** will pay would be 70% of the total cost of the claim.

It is **your** responsibility to make sure **your sum insured** is high enough to fully cover **your contents**, including the value of any specified items, and keep this up to date on **your** policy.

The total amount of **valuables** in the **home** is shown on **your Schedule**.

The most **we** will pay for any single item, collection or set of **valuables** is £2,500 unless it has been specified by **you** and is listed on **your Schedule** as a specified item.

Optional cover

Buildings Accidental Damage Cover

We will pay up to the buildings **sum insured**.

Contents Accidental Damage Cover

We will pay up to the contents **sum insured**.

Personal Belongings Cover

We will pay up to the amount shown in **your Schedule**.

Unspecified Items – The most **we** will pay for any one item, pair or set is £2,500 and for any **bicycles** is £1,000.

Specified Items – **We** will pay up to the amount shown in **your Schedule**.

We will not reduce these limits if **you** make a claim, unless the claim is to do with the total loss of a specified item, pair or set or **bicycle**.

Specified Bicycles Outside the Home Cover

We will pay up to the amount shown in **your Schedule**.

Legal Expenses Cover

We will pay up to £100,000.

GENERAL EXCEPTIONS THAT APPLY TO THE WHOLE POLICY

2. Any property (which is not business equipment) or money **you** own, hold in trust or use in connection with any business, profession or trade. Nor any legal liability arising directly or indirectly from any business, profession or trade.
3. Any property or liability insured under a more specific policy.
4. Any fall in market value as a result of repairs or reinstatement.
5. Loss or damage as a result of delay, confiscation or detention by order of any government or public authority.
6. Loss where property is obtained by any person using any form of payment which proves to be counterfeit, false, fraudulent, invalid, uncollectable, irrecoverable or irredeemable for any reason, including where items are sold privately online and payment is not received.
7. Incidents which took place before the start of this insurance.

8. Any consequence of war, war-like operations, invasion, act of foreign enemy, hostilities (whether war be declared or not), civil war, rebellion, mutiny, revolution, insurrection or military or usurped power.
9. Any legal liability, loss of or damage to any property, or any resulting loss or expense directly or indirectly caused by or contributing to or arising from:
- ionising radiation or radioactive contamination from nuclear fuel or nuclear waste; or
 - the radioactive, toxic, explosive or other hazardous properties of explosive nuclear equipment or its nuclear parts.
10. Loss, damage or liability or injury directly or indirectly caused by, contributed to or arising from pollution or contamination unless it is:
- caused by a sudden, identified, unexpected and unforeseen accident which happens in its entirety at a specific moment of time during the period of insurance at the **property**; and reported to **us** within 30 days of the end of the period of insurance.

- For the purpose of this exception an act of terrorism means the use, or threatened use, of biological, radiological, chemical and/or nuclear force by any person or group of people whether acting

alone or on behalf of or in connection with any organisation(s) or government(s) committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public or any section of the public in fear.

13. Any loss, damage, alteration, or reduction in functionality, of **your** computer or smart devices caused by hacking or computer viruses, including any data held on them directly or in cloud storage.

A smart device is an electronic device, generally connected to other devices or networks via protocols such as Bluetooth or Wi-Fi, such as tablets, smart phones, smart TVs and smart doorbells.

GENERAL CONDITIONS THAT APPLY TO THE WHOLE POLICY

You must comply with these conditions to have the full protection of **your** policy. If **you** do not comply with them, **we** may cancel the policy, refuse to deal with **your** claim or reduce the sum of any claim payment.

1. Transfer of interest

The **policyholder** can transfer the **policyholder's** interest in this insurance to someone else with **our** written permission.

2. Cancellation

If **you** no longer feel the policy is right for **you**, **you** may cancel it within 14 days of receiving **your** policy documents and no **cancellation fee** will be charged. If cover has not yet commenced, **you** will receive a full refund of the premium and any **arrangement fee**. If the insurance cover has commenced, **your insurer(s)** will give **you** a pro rata refund on **your** premium based on the cover **you** have had. The **arrangement fee** will not be refunded.

After the first 14 days, if the policy no longer meets **your** needs, **you** can still cancel it at any time. As long as **you** have not made a claim under the policy, or a claim has not been made against **you**, **your insurer(s)** will refund the unused part of **your** premium. If **you** have made a claim, or a claim has been made against **you**, **you** will not receive a refund. **Saga** will charge a **cancellation fee** of £35.

You can telephone **Saga** on 0800 001 5898 or write to **Saga** at Saga Services Limited, PO Box 253, Seaham DO, SR7 1BN to cancel **your** policy. Cancellation is effective from the date **your** letter is received.

Please note that, if **you** amend or cancel **your** policy during the period of cover as shown on **your Schedule** and have paid by credit card or cheque, **we** will be unable to refund any amounts of £5 or less. Similarly, if **you** make any changes to **your** policy or cancel it during the policy year, **we** will only request any payment from **you** if the amount is over £5. The **arrangement fee** will not be refunded and **Saga** will deduct a **cancellation fee** from **your** refund.

We or **Saga** may cancel this policy by giving **you** seven days' notice by recorded delivery letter to **your** last known address as a result of, but not limited to, one of the following reasons:

- changes in **your** circumstances that results in an increase in risk which **we** are unable to insure;
- failure to provide **us** or **Saga** with information **we** or **Saga** have requested that is directly relevant to the cover provided under this policy or any claim;
- a breach of any terms or conditions of **your** policy;
- **you** do not pay any policy premium requested or, if applicable, stop paying the instalment premiums;
- use or threat of violence or aggressive behaviour against **our** or **Saga's** staff, contractors or property;
- the use of foul or aggressive language.

If **your policy** was set up under a credit agreement and **you** become eligible for a monthly instalment plan, **your policy** will

be cancelled, resulting in **your** credit agreement also being cancelled. A new **policy** will then be set up for **you** under a monthly instalment plan and new documents confirming the reduced payment amount will be issued.

This will not affect **your** right to make a claim for any event that happened before the cancellation date. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current period of insurance, provided no claim has been made during the current period of insurance. The **arrangement fee** will not be refunded.

3. Misrepresentation and fraud

If **we** discover that **you** or anyone acting for **you** has:

- misrepresented answers to any of the questions when applying for, amending or renewing cover with **us** or **Saga**;
- deliberately misled **us** or **Saga** to obtain cover, gain a cheaper premium or more favourable terms;
- provided any false or invalid documents to **us** or **Saga**; or
- made a fraudulent, false or exaggerated claim or any part of a claim;

we may look to take the following actions:

If **we** are able to continue cover **we** may:

- amend **your policy** with the corrected information;
- apply any relevant terms and conditions that would have been applicable had the correct information been declared;
- collect any additional premium;
- reduce a claim proportionately.

If **we** are unable to continue cover **we** may:

- cancel **your policy** or void it from the inception (treat it as if it never existed) and if applicable reject any claim made.

If any fraud, deliberate dishonesty or careless misrepresentation has been identified **we** may also:

- reject any claim made, if applicable;
- recover any costs **we** have incurred in investigating a claim.

If deliberate deception is suspected, **we** may also:

- not return any premium paid by **you**;
- pass details to the police and fraud prevention agencies;
- take legal action against **you**.

4. Protecting **your** property

You must do all that **you** can to avoid injury, loss or damage and protect **your** property.

You must maintain **your property** and anything covered by this insurance in a **good state of repair**.

5. Changes to your policy details or cover

You must tell **us** at **your** earliest opportunity if **your** circumstances change or if any of the information shown in **your** Statement of Insurance or **Schedule** changes during the period of insurance. Changes you should inform us of include the following:

- **you** will be leaving the **property unfurnished** or **unoccupied** for more than 60 days in a row;
- any work planned at the **property** other than routine repair and maintenance;
- any work that requires the erecting of scaffolding;
- **you** discover or learn of anything else which means the **property** is not in a **good state of repair**;
- the number of **bedrooms** in the **property** has changed;
- **you** or anyone permanently living with **you** is convicted of any offence (except motor offences);
- the value of **your contents** or the rebuilding cost of **your property** changes;
- change to the occupancy of the **property** e.g. lodgers staying at the **property**;
- change to **your** occupation;
- change of address.

This is not a full list and **you** should let **us** know if any of the details **you** have already given **us** changes. Once **you** have told **us** about a change **we** will reassess **your** cover and premium. Should **we** be unable to continue cover **we** will inform **you** as outlined in

General Condition 2 – Cancellation. If **you** do not tell **us** of any changes it is possible that a claim will not be covered and **we** may take additional action according to General Condition 3 – Misrepresentation and fraud.

6. Rights of third parties

Save for the rights granted to **Saga** under this contract, any person or company who is not a party to this contract does not have any rights they can enforce under this contract by virtue of the Contracts (Rights of Third Parties) Act 1999 except those they have by law.

7. Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). **You** may be entitled to compensation from this scheme if **we** cannot meet **our** obligations. This depends on the type of insurance and the circumstances of **your** claim. Further information about compensation scheme arrangements is available from the FSCS website www.fscs.org.uk

8. Financial sanctions

We shall not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment or other benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue.

If any such resolution, sanction, law or regulation takes effect during the period of insurance, **we** may cancel this policy immediately by giving **you** written notice at **your** last known address.
