## INTRODUCTION

The words shown in bold print are defined on [page 4](#).

The contract of insurance between **you** and **us** is made up of:

- the **Policy Book** and
- the **Certificate**.

It is based on the information **you** have given **us**. Any advice leaflet or similar literature **you** receive about this insurance does not form part of **your** contract.

**You** should read the **Policy Book** together with the **Certificate**. Please check them carefully to make sure that they give **you** the cover **you** want.

**You** agree to pay the premium and to keep to the conditions of the contract of insurance. If **you** pay by Direct Debit and do not keep up **your** payments, **you** will not be covered by this **policy** from the date the premium was due.

**We** agree to insure **you** according to the terms in this **Policy Book** for the cover shown in the **Certificate**. **We** will provide cover for any period of insurance for which **we** have accepted **your** premium.

### The language and law applicable to this policy

The terms and conditions and all other information concerning this insurance are supplied in the English language and **we** undertake to communicate in this language for the duration of the policy. Unless **we** have agreed otherwise, this contract will be governed by the law of England and Wales.

### Complaints process

**We** aim to provide **you** with high levels of service at all times. However, there may be times when **you** feel that **our** service has fallen below the standard **you** expect. If this is the case and **you** want to complain, **we** will do **our** best to try to resolve the situation. If **you** have a query or a complaint, please refer to **your** documents, which show telephone numbers and **our** address details if **you** prefer to write to **us**.

### Changes to your policy details or cover

It is important that **you** tell **us** of any changes that occur since the insurance started or since the last renewal date. If **you** do not it is possible that a claim will not be covered. Some examples of changes are given below; if **you** are in any doubt whether a change needs to be advised, please contact Customer Services on **0800 656 9915**.

- Change of cover level
- Change of address
- Change of vehicle.

Please note that if **you** amend or cancel **your policy** during the **policy** year and have paid by credit card or cheque, **we** will be unable to refund any amounts of £5 or less. Similarly, if **you** make any changes to **your policy** during the **policy** year, **we** will only request any charges from **you** if the amount is over £5.

**You** will not be entitled to a refund should **you** reduce the level of cover on **your policy** if **you** have made a claim in that current year.

### Renewal process

**You** will be sent a renewal invitation 21 days before **your** renewal date which will include **your** premium for the next year. If **you** renew on a continuous payment method, **we** will automatically renew **your policy** each year using the payment details **you** have given **us**. Please contact **us** prior to **your** renewal date if **you** wish to renew using a different payment method. ## Conditions applicable to 7.7 – Legal defence and 7.8 – Legal expenses

Provided that for all claims:

**1.** If the **lawyer** is satisfied that there are **reasonable prospects** of a recovery **we** will choose a lawyer to act on **your** behalf. **You** may choose another representative if there is a conflict of interest, or legal proceedings are about to be commenced. If **you** do exercise **your** right to choose a lawyer, the representative **you** choose will become the **lawyer** and **you** must notify **us** as soon as possible of the name, address and contact details of the **lawyer**. **You** will be required to ensure that the **lawyer** complies as appropriate with the terms of this **policy** on **your** behalf by keeping **us** updated regularly with the progress of **your** claim; keeping **us** informed regularly of costs incurred; informing **us** of any settlement offers made to or by **you**; and keeping **us** regularly updated and informed of other things regarding the conduct of **your** claim which may lead to an outcome or a cost that is not anticipated at the commencement of **your** claim.

With **your** prior agreement **we** will be entitled to contact **your lawyer** to discuss, and if possible agree, the rates that will be paid by **us** to the **lawyer** for acting on **your** behalf. The amount that **we** will pay in respect of legal costs (meaning those properly incurred and proportionate fees and expenses charged by the **lawyer**) shall not in any circumstances exceed hourly rates in line with those published in the Senior Courts Cost Office Guide for Summary Assessments of Costs which **your lawyer** will have readily available and which **you** should ask to see. The rate applicable will be the guideline rate at the time the work was conducted, for the location in which **your lawyer** carries on business or on **your** home address (whichever is the lower) and for the grade of fee earner which is appropriate for the nature or complexity of the case or task being performed. If **your lawyer** refuses to accept the guideline rates **you** will be liable to pay the lawyer any difference between what **we** pay and the amount sought by the **lawyer**.

**2.** If the **lawyer** refuses to act for **you**, **you** must tell **us** immediately. If this is for reasons related to the **reasonable prospects** of **your** claim or other reason relating to **your** entitlement to cover under this **policy**, **you** must tell **us** and give the **lawyer** permission to share those reasons with **us**. If, after reviewing the information, any new representative confirms that **your** claim still has **reasonable prospects** and **you** have otherwise complied with the **policy** conditions **you** will be entitled to appoint a new **lawyer** in accordance with condition 1.

**3.** If there is a dispute between **you** and **us** about this section, we can both refer to an arbitrator who will be a solicitor or barrister we both agree on in writing. If we cannot agree, the President of the local Law Society or the Bar Council will decide on an arbitrator. The decision of the arbitrator will be final and binding and he or she will decide who should pay the costs of the arbitration and resolving the disagreement. If costs are awarded against **you**, they are not covered under this section. This arbitration condition does not affect **your** rights to take separate legal action.

## Legal provider for 7.7 – Legal defence and 7.8 – Legal expenses

**We** have appointed Arc Legal Assistance Limited to handle the claims made under subsections 7.7 – Legal defence and 7.8 – Legal expenses of the European cover extension of this **policy** on **our** behalf.

This arrangement with Arc Legal Assistance Limited does not restrict their independence and **you** will at all times receive the best advice for **you**. It does not restrict **your** rights under these subsections of the **policy**.

## 7.9 – Customs regulations

We cover the following	We do not cover the following
<p>If as the result of an <b>insured incident</b> occurring in the <b>geographical limits</b> during a <b>trip</b>, <b>we</b> or <b>our</b> service provider decide the <b>insured vehicle</b> is beyond economic repair, <b>we</b> may arrange for its disposal under Customs supervision in the country of the <b>insured incident</b>. **You** are not covered for any of the following:

Any costs whatsoever in respect of labour, parts, materials, storage, safekeeping or relocation of the **insured vehicle** once it has been transported to a garage or repairer.

Damage or costs as a result of breaking into the **insured vehicle** because **your** keys have been lost or damaged.

The cost of getting a spare wheel or for roadside repairs if **you** cannot provide a suitable spare wheel.

The cost of draining or removing contaminated fuel. (**We** will arrange for the **insured vehicle** to be taken to a local repairer for

assistance, but **you** will have to pay for all work carried out.)

Any costs and expenses if the **insured vehicle** was not fit to drive at the start of the journey. **We** may ask for proof that the **insured vehicle** was fit to drive (including an MOT certificate if applicable).

Any expenses which **you** have paid or would have had to pay anyway irrespective of the **insured incident**.

Any expenses which **you** can claim under any motor, caravan, travel or marine policy, or from any other organisation which provides similar services to **ours**.

Any storage or release fees while the **insured vehicle** is being repaired or after the police have moved the **insured vehicle** or for any police call-out charges.

## 2. Use and/or location

Any **insured incident** while the **insured vehicle** is towing or carrying more weight or people than it is designed for, as shown in the manufacturer's details.

Vehicles used for and/or involved in motor racing, off road use (away from public roads and over rough terrain), rallies, speed or duration tests or practising for such events.

Any claim if **you** know that the person driving the **insured vehicle** does not have a valid driving licence or valid insurance; or the person driving the **insured vehicle** does not meet the conditions of their driving licence.

Vehicles used for hire or reward or for the carriage of goods for reward.

Vehicles situated in areas to which **our** agents have no right of access or are refused access, or on motor traders' premises.

Vehicles temporarily immobilised by floods or snow-affected roads or as a result of whole or partial immersion in water, snow, sand or mud.

Loss of or damage to the **insured vehicle** while it is being transported by sea or rail (unless loss or damage is caused by **our** negligence).

## 3. Liability

Any legal liability resulting from a claim for parts, goods, services, arrangements or advice provided by **us** or anyone acting for **us**.

## 4. Claims

Any claim arising from circumstances known to **you** at the time of applying for cover, or at any time prior to the commencement of a journey.

The services cannot be used for routine servicing or the rectification of failed repairs, or as a way of avoiding repair costs.

Any assistance services if **we** believe the **insured vehicle** is dangerous or illegal to repair or transport.

Any perishable items.

## 5. War

Any claim resulting from difficulties or inability in obtaining raw materials, fuel or other supplies due to **strikes**, war, invasion, act of foreign enemy, hostilities (whether war be declared or not), terrorist activity, civil war, rebellion, revolution, insurrection, military or usurped power or taking part in civil commotion or riot of any kind.

## 6. Indirect losses

Indirect loss of any kind arising from the provision of, or delay in providing, the services to which this **policy** relates.

Any claim for loss of or damage to objects, accessories, baggage, luggage, commercial goods or those intended for resale carried at the time of the **insured incident** or left in or outside the **insured vehicle** after the **insured incident**.

## 7. Radioactivity

Any loss, damage or legal liability directly or indirectly caused by:

- ionising radiation or contamination by radioactivity from irradiated nuclear fuel or from any nuclear waste from the combustion of nuclear fuel;
- the radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear component of it.

## 8. Pressure waves

Loss or damage caused by pressure waves from planes and other flying machines.

## GENERAL CONDITIONS APPLICABLE TO ALL OF THE POLICY

**You** must comply with these conditions to have the full protection of **your policy**.

If **you** do not comply with them, **we** may cancel the **policy**, refuse to deal with **your** claim or reduce the sum of any claim payment.

### 1. Your duty

The insurance cover provided depends on the terms and conditions in this **policy** document. **You** must comply with these terms and conditions to have the full protection of **your policy**.

It is **your** duty to provide **us** with correct information and answer **our** questions with reasonable care and honesty, truthfully and completely. **You** must tell **us** as quickly as possible if **you** change **your home** address or **your nominated vehicle**.

If **you**, or anyone acting for **you**, have deliberately misrepresented the answer to **our** questions, or misrepresented any answers provided to online questions by manipulating an answer and these answers have:

- influenced **our** decision to provide **you** with insurance **we** would otherwise not have agreed to provide, or
- influenced the terms and conditions on which **we** have provided cover, or
- prevented **us** from charging the correct premium;

**we** will treat **your policy** as if it never existed and return any premium **you** have paid for the **policy**, unless **we** have identified a false or fraudulent claim when General Condition 5 will also apply.

If the misrepresentation is not deliberate but is careless **we** will either:

- treat **your policy** as if it never existed and return any premium **you** have paid for the **policy** if **we** would not have accepted the risk had **you** given the correct information; or
- amend **your policy** details to record the correct information, apply any terms that would have been applied had **you** given the correct information, and charge and collect any additional

premium due.

### 2. Vehicle specifications

Cover is only available under this **policy** for the following:

A motorhome that has been privately registered in the **United Kingdom** with the DVLA (or equivalent) and is shown on the Vehicle Registration Document as a motor caravan.

A standard caravan or trailer which meets with all relevant rules and regulations listed in 'Section 2 - Caravan and trailer cover' and was being towed by the **insured vehicle** at the time of the **insured incident**.

**You** must do all that **you** can and comply with all laws and codes to keep the **insured vehicle** safe and fit to drive.

### 3. Service limits

When driving abroad, if **you** need assistance more than five times within the **period of cover**, **you** will need to pay for the services **we** provide.

**You** will have to pay for these services by credit card or debit card. **We** will ask **you** for **your** card details before **we** provide assistance, but **we** will only charge **you** for the work when **you** have told **our** service provider that **you** are satisfied with it.

**We** may refuse to renew **your** cover if **we** feel that **you** have used **our** services too often during the **period of cover**. In this case **we** will write and tell **you** in advance, and **you** will have the chance to tell **us** about anything, which might lead **us** to reconsider **our** decision.

### 4. Claims

If **you** are covered by any other insurance for an **insured incident**, **we** will only pay **our** share of the claim. **You** may be required to provide **us** with details of **your** insurance company for this purpose.

In the case of a component failure, this must immobilise the **insured vehicle** or make it unsafe to drive in order for it to constitute an **insured incident**. For example, the illumination of a warning light does not always constitute an **insured incident**. If it

does not, **you** will need to take the **insured vehicle** to a place of repair and **your** Saga Motorhome Breakdown Assistance will not cover this. In these cases **we** can provide advice on whether the **insured vehicle** is safe to drive.

**We** are entitled to take over **your** rights in the defence or settlement of a claim or to take proceedings in **your** name for **our** own benefit against another party and **we** shall have full discretion in such matters. **You** must give **us** all the information and assistance **we** may require.

If **you** request a level of service to which **you** are not entitled, this service will have to be paid for in advance by credit or debit card payment.

If **we** provide a service that it subsequently transpires **you** are not entitled to, **you** will have to pay for the service provided and **we** will charge an administration fee.

**You** are responsible for collecting the **insured vehicle** from a repairer and any repair costs or subsequent repair costs.

If **we** arrange for temporary roadside repairs, **you** must then as quickly as possible arrange any permanent repairs that may be necessary. If **you** do not, and the same problem happens again, **we** may refuse service.

If **you** need assistance, **you** must contact **our** control centre. **You** must not contact any garage recovery operator direct. **You** must report any **insured incident** which could bring about a claim under 'Section 7 - European cover' of **your policy** as soon as possible to **our** European control centre.

Any costs incurred directly by **us** in a currency other than GBP will be converted to GBP at the exchange rate used at the time.

**You** will have to pay the cost of **our** recovery or repair vehicle coming out to **you** if **you** allow the **insured vehicle** to be recovered or repaired by someone else after **you** have contacted **us** for assistance.

If the **insured vehicle** needs to be moved or recovered after an **insured incident**, it must be in an easily accessible position for

**our** recovery vehicle to load. If the **insured vehicle** is in a position **we** cannot get to, or the wheels have been removed and **we** need to use specialist equipment (which is not normally carried on a standard recovery vehicle) to recover the **insured vehicle**, **you** will have to pay extra costs (including labour charges) to arrange for these to be transported to, and used at, the site of the **insured incident**.

When **you** ask for assistance or recovery, **we** will give **you** an estimated time when **our** repair or recovery vehicle will arrive.

**You** and the **insured persons** must wait safely with or nearby the **insured vehicle** until the repair or recovery vehicle arrives, unless **you** have made other arrangements with **our** control centre.

**You** are responsible for the security of the contents of the **insured vehicle**, caravan or trailer. **We** will not recover or repair a vehicle, caravan or trailer if there is a person or animal in it without **our** prior agreement.

Transportation of horses or livestock, or onward transportation of any animal shall be at **our** discretion and solely at **your** risk.

**We** reserve the right to recover costs from **you** if **you** give **us** any incorrect information when **you** telephone for assistance.

**We** are not responsible for the actions or costs of garages, recovery firms or emergency services acting on **your** instructions or the instructions of anyone acting for **you** and cannot be held liable for them.

Following an **insured incident** attended by the police or other emergency service, transportation of the **insured vehicle** will not take place until they have authorised its removal.

**We** may choose to repair the **insured vehicle** (at **your** cost) following a breakdown, rather than arranging for it to be recovered.

If the law of any country means that **we** have to make a payment, which **we** would not otherwise have paid, **you** must pay that amount back to **us** as requested.

**You** must not admit liability or agree to settle or knowingly do anything that would prejudice any claim without **our** written permission. **You** must send **us** any relevant letters as quickly as possible and send **us** all information and other help **we** ask for.

**We** are not responsible for any loss, damage, costs, claims or expenses whatsoever which **you** may incur as a result of **our** delay or failure to perform **our** obligations due to a **force majeure event**.

Nothing in this **policy** will exclude or restrict **our** liability for death or personal injury resulting from **our** negligence.

Any failure by **us** in relying on or enforcing the terms and conditions of this **policy** on any particular occasion will not prevent subsequent reliance or enforcement.

**We** have the right to refuse service at any time if **we** consider that **you** or any **insured person** is behaving or has behaved in a threatening or abusive way to **us**, **our** service providers or to any other contractor.

**We** will not cover any claim where the **insured person** may be affected by the influence of alcohol or drugs.

Where **we** recover **insured persons** under the age of 16, they must be accompanied by an adult.

#### 5. Fraudulent claims

If **we** discover that **you**, anybody insured by this **policy** or anyone acting for **you** has knowingly:

- made a fraudulent or false claim in full or in part or exaggerated the amount of the claim;
- misrepresented any answers to **our** questions or withheld any relevant information in order to influence **us** to accept a claim;
- provided false or invalid documents in support of a claim; or
- following an allegation or suggestion of fraud by **us** or another insurer, withdrawn a claim, had a claim refused or declined or had a policy cancelled or made void,

**we** will investigate the claim and this could result in legal action by **us**.

**We** may:

- treat **your policy** as if it never existed from the date of the fraud or misrepresentation and retain any premium **you** have paid for these policies;
  - serve **you** with a 7 day notice of cancellation on all other policies that **you** hold with **us**; and
  - pass details to the Police and fraud prevention agencies;
- or
- refuse to pay the whole of **your** claim if any part is in any way fraudulent, false or exaggerated and recover from **you** any costs that **we** have incurred.

#### 6. Cancellation within 14 days

If **you** cancel **your policy** within 14 days of receipt of **your policy** documents, **we** will give **you** a pro-rata refund on **your** premium based on the cover **you** have had.

If **you** wish to cancel **your policy** and cover has not yet commenced **you** will be entitled to a full refund of the premium.

#### 7. Cancellation rights

Provided no claims have been made under the **policy**, **we** will refund the pro-rata premium applicable to any unexpired part of the period of cover for which a premium has been paid. Please note that where any claims have been made under this **policy** **we** will not be able to refund any premiums and all outstanding premiums owed to **us** by **you** will become payable immediately. Also, if **you** amend or cancel **your policy** during the **policy** year and have paid by credit card or cheque, **we** will be unable to refund any amounts of £5 or less. Similarly, if **you** make any changes to **your policy** during the **policy** year, **we** will only request any charges from **you** if the amount is over £5.

Cancellation by **you**

**You** can cancel this **policy** by contacting **us** on 0800 656 9915.

Cancellation by **us**

**We** may cancel this **policy** by giving **you** seven days' notice in writing to **your** last known address.

This **policy** may be cancelled if:

- **you** do not pay any **policy** premium requested or, if applicable, stop paying the instalment premiums;
- **your** insurance details change such that they no longer meet **our** acceptance criteria;
- **you** fail to provide further information or documentation **we** have requested in writing:
  - in support of **your** insurance application, renewal or adjustment **you** wish to make to **your policy**;
  - to assist **us** handle a claim that is being made;
- **we** act under General Conditions 1 or 5 following fraud or misrepresentation; or
- **we** discover that **you** have used fraud to obtain another policy underwritten by **us** and/or to make a claim under another policy that **we** underwrite.

## **USEFUL INFORMATION** – to be read in conjunction with your policy information

### **What to do if you have a breakdown or accident**

1. If you can, leave your vehicle in a safe place, away from traffic. Switch off the engine and put out any cigarettes.
2. If you can, use your hazard lights and display a red warning triangle if you have one.
3. Find the nearest telephone. If you have been involved in an accident, call the relevant emergency services immediately and make contact with any witnesses.

If you have a breakdown or accident in the United Kingdom, call Saga Motorhome Breakdown Assistance on **0800 068 1966** .

We must approve any additional expenses incurred where proof of payment (such as a receipt) is not available. For a claim form please call **0800 068 2962** in the United Kingdom or **+44 1303 757 328** while in Europe.

If you have cover under 'Section 7 - European Cover' and you want to make a claim while in Europe, call Saga Motorhome Breakdown Assistance on **+44 1303 757 308**.

4. Tell the Saga Motorhome Breakdown Assistance controller:
  - your vehicle registration number;
  - where your vehicle is;
  - if any of the insured persons are small children;
  - what the problem is; and
  - if you are transporting any animals.
5. For your safety, wait for us away from your vehicle and keep clear of the road or hard shoulder.

If you call via a mobile phone the system will send you a text message to confirm that help is on the way and is on schedule.

#### **Please note**

1. Our European Claims Department must receive your claim within 30 days of your return to the United Kingdom.
2. Any expenses for which you claim must have our prior consent and approval.
3. You must send in all relevant receipts, accounts, bills and invoices.

#### **European motorways**

Please note that in several parts of Europe, if you break down on a motorway or other major public road, Police will answer the telephone. They will arrange for a local recovery company to send a recovery truck to you without contacting us. Very few of these local recovery agents have any link with United Kingdom motoring organisations, and you may well have to pay for this assistance on the spot. If you keep a receipt, we will refund the full cost of the assistance, including towing charges and time the mechanic has spent working on the insured vehicle at the roadside. We will not pay for any spare parts used or labour charges at a garage.

Once you have been taken from a motorway or major public road to a place of safety such as a local garage or motorway service station, please contact us if you need other advice or services, such as vehicle hire.

## FUTURE UNDERWRITER CHANGES

Your Saga Motorhome Breakdown Assistance policy is currently provided and underwritten by your insurer as part of an agreement between Saga Services Limited and them. If you have selected any additional cover options, these may be provided by different insurers. At some time in the future Saga Services Limited may enter into an agreement with a new provider for all or part of your policy, in which case this new provider will offer you breakdown assistance to replace your current policy. If this is the case, Saga Services Limited will write to you to confirm the details of the new provider and give you details of any changes to the Terms and Conditions of your policy. At this stage you will be given the option to refuse transferral to the new provider. For further information, please see Saga's Privacy Policy at [saga.co.uk/privacy-policy](http://saga.co.uk/privacy-policy).

To help Saga prevent fraud, money laundering and other financial crime, the information you provide may be submitted to fraud prevention agencies and other organisations whose records may be searched.

As part of the insurer's fraud prevention process it will complete a number of enquiries to check the details you provide against relevant fraud prevention databases. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information.

The insurer and other organisations may also access and use this information to prevent fraud and financial crime, for example, when:

- checking details on applications for credit and credit-related or other facilities;
